## **The Great Escape**

**Big Idea:** God's glory shines the brightest in desperate situations

*God promotes His glory by....*

1. ....desiging designing situations
2. ....smashing our self-reliant attitudes
3. ....proving that he will not abandon us
4. ....forcing us to cry for help
5. ....claiming the victory against unbeatable odds
6. ....receiving well-deserved fear and belief from His people

## **Conclusions and Applications:**

# **Acts 2:42 Community Group Homework**

For the week of June 13, 2010

### **Into the Bible**

Over and over again Scripture returns to the theme of the Exodus. Psalm 106:1-13 is one such passage. Study through it for the following questions.

What do you think it means that the children of Israel “rebelled” at the Red Sea? See Exodus 14:10-12.

Looking through these verses, what insights into God’s character and our own do you see?

Put verse 7 in a contemporary context. How do we not consider the wondrous works of our God?

Psalm 136:10-15 also praises God for salvation from Egypt. Write down any more observations that you have from these verses.

### **Application**

Have you experienced a God-designed desperate situation in your life? If so, what did it teach you?

Psalm 106 is a beautiful prayer of praise and corporate confession. Incorporate it into your own prayer time as a community group.
