Conclusion and Applications:

Acts 2:42 Community Group Homework

For the week of October 10, 2010

Getting Started

1. Did your parents have any unique rules for you while you were growing up? Be nice!
2. You just passed a police car going 60 mph in a 55. What are you thinking?

Into the Bible

Read Romans 7:4-20.

3. Why would some people say that the Law is sinful?
4. How does Paul explain the relationship of the Law to sin in our lives? What “negative” does the law bring?
5. How does Paul defend the Law as spiritual?
6. What good benefits does the law bring?
7. Study Mark 7:1-13 in light of Sunday’s sermon. Write down any observations, applications, or questions you have about these verses.

8. Give examples of how people find loopholes in laws. Think about local government, work, school, etc.

9. What does a “loophole” mentality show about a person’s view of the law; his or her motives?

10. Think of examples of how people keep the letter of the law but deny the spirit of it.

11. Considering that the Decalogue pivots on the fifth commandment, how could you create an environment in your home that promotes obedience from the heart?
