Acts 2:42 Community Group Homework

For the week of February 21, 2010

Getting Started

1. When you are lost, which are you most likely to do: a) stop and ask for directions, b) check a map, c) drive around until you find it, or d) not admit to anyone that you're lost?

Into the Bible

2. Two passages in the New Testament "fill in the gaps" of Exodus 2. Read Acts 7:20-29 and Hebrews 11:23-27. What do you learn from those passages that wasn't in Exodus 2?
3. What do those passages us about Moses' motives for his actions?
4. How is the Moses of Numbers 12:3 different than Exodus 2? What changed about Moses and why do you think that is?
5. Think of the oppression of the children of Israel in Exodus 1-2. Why do you think that it wasn't until Exodus 2:23 that they cried out to God?

Application

6. If Pastor Mike had to give an abbreviated version of this week's sermon, what two points or ideas would you tell him to include no matter what?
7. Moses seemed to have all the right motives in Exodus 2, but he still fell flat on his face. Has that ever happened to you? What did God teach you through it?
8. Describe a time in your life one of the sermon applications was true of you; either positively or negatively.
9. Like the children of Israel, sometimes we're not ready for God's solution because we don't realize the problem. How is this still true for people today?
10. Have you ever experienced "desert" times in your life? If you had the option to do it over again, would you eliminate those times from your life? Why or why not?
